# MAVO

MAVO is the office furniture collection born to bring nature and wellness in your work space.

## ARTHUR

Rich, intense three-dimensional structure sketched with high tech creative designs and equipment to achieve the best and elegant lines.

Modern business is not only the experience of success but also about the expression of free grace.

## CAESAR

Centered around the natural beauty of materials from the oldest traditions of craftsmanship, incorporating leather, porphyry and wood, the Caesar collection appeals to the renewed tendency to take care and take pleasure in the uniqueness of exclusive furniture.

## ALPHA

ALPHA shows the strategy, the boldness of vision and self-confidence an achiever holds.

The design edge of this executive suite gives it a sleek stream lined professionalism.

## PRIME

PRIME, is oriented towards aesthetic lightness and formal reduction creating an essential timeless style.

The available finishes and colors are inspired by natural elements and perceptions which are part of our day-to-day life.

## TITAN

The story of Sitland is characterized by passion and commitment, creativity and research, design and technology. A constant balance between individual needs and technologies, where the individual is the origin and goal of every creation.

# MANAGERIAL FURNITURE

## INSPIRA

Inspired by modern management models: elegant but not static, efficient and representative, always dynamic.

Modularity, materials and design make INSPIRA the most modern and contemporary solution for the world of work, today engaged in re-defining forms and consolidated customs.

# MANAGERIAL FURNITURE

## TREND

TREND is a modern design that looks as good as you want to be in business. It exudes both style and efficiency.

This professional minimalist look can be enhanced by your choice of wood or glass working tops.
